

# Good Day

Avery Anna

Had a boy, but he left me  
I guess he really didn't get me  
Mean girls in the hallways  
But they don't say it to my face

Mam always said  
That there'd be days like this  
Brush em' off your shoulders  
But I already did

I got some vans on my feet  
That sunshine shining on me  
I got some holes in my jeans  
My knees be catching that breeze

I'm singing  
Ooh ooh ooh ooh  
Let em' say what they say  
Ain't nobody throwing shade on my good day

Mac and cheese for breakfast  
Apologies from my exes  
Found a \$20 on the sidewalk  
Saw my song on your TikTok

Ain't a cloud in the sky  
Out in Arizona  
Gonna ride these vibes  
Like a wave in Daytona

Got some vans on my feet  
That sunshine shining on me  
I got some holes in my jeans  
My knees be catching that breeze

I'm singing  
Ooh ooh ooh ooh  
Let em' say what they say  
Ain't nobody throwing shade on my good day

Ooh ooh ooh ooh  
Everything everything's gonna be okay  
Ain't nobody throwing shade on my good day

I got some vans on my feet  
That sunshine shining on me  
I got some holes in my jeans  
My knees be catching that breeze

I'm singing  
Ooh ooh ooh ooh  
Let em' say what they say  
Ain't nobody throwing shade on my good day, yeah

Ooh ooh ooh ooh  
Let em' say what they say  
Ain't nobody throwing shade on my good day
