

## Know It All

Avery Anna

I knew on that first night, sippin' that cherry Sprite  
Half of the things that you said were a lie  
I still thought you were cute, so I listened to you  
Tried to convince me that man never walked on the moon

A little bit condescending  
But I'm a hypocrite for pretending  
That I liked you

You're such a know it all  
Whatever game you think you're playin', I got the ball  
You think that just because I'm blonde and I'm nice that I woul  
dn't think twice  
You're wrong, I've known it all along  
No, you don't know it all, all  
No, you don't know it all, all

Shouldn't be playin' dumb, but it's a little fun  
Hangin' on every word rollin' off your tongue  
Talkin' 'bout politics, thinkin' I'm into it  
Well, bless your heart, at least it's good that you have confid  
ence

You're such a know it all  
Whatever game you think you're playin', I got the ball  
You think that just because I'm blonde and I'm nice that I woul  
dn't think twice  
You're wrong, I've known it all along  
No, you don't know it all, all  
No, you don't know it all, all

I know you mean well  
It's sad you can't tell  
That you're actin' like I never even learned how to spell  
D-O-N-E, you and me are done  
Yeah, we're done

You're such a know it all  
Whatever game you think you're playin', I got the ball  
You think that just because I'm blonde and I'm nice that I woul  
dn't think twice  
You're wrong, I've known it all along  
No, you don't know it all, all  
No, you don't know it all, all

You're such a know it all, all
