

Mr. Predictable

Avery Anna

Another apology, didn't you promise me
The last time would be the last time?
Well, here we are again, what a coincidence
No, I'm not losin' my mind

Said, "Don't worry about Scarlet"
'Cause you're just friends and I bought it
Funny how I felt it in my stomach
So I parked outside her apartment

Mr. Predictable, why're you so difficult?
I knew it right from the start
Makin' me miserable, I feel unlovable
Go ahead and tear us apart
Like you always do
Wish it wasn't true
Mr. Predictable, don't think you're fixable
I knew it right from the start
You'd break my heart

I tried to trust an untrustable, cynical
Typical, self-centered man

I saw things I shouldn't see in
In your recently deleted
You're a liar, you're deceivin'
Hate that I was right about every feelin'

Mr. Predictable, why're you so difficult?
I knew it right from the start
Makin' me miserable, I feel unlovable
Go ahead and tear us apart
Like you always do
Wish it wasn't true
Mr. Predictable, don't think you're fixable
I knew it right from the start

Said, "Don't worry about Scarlet"
I should've worried about Scarlet
I knew that you would do exactly what you did, oh

Mr. Predictable, why're you so difficult?
I knew it right from the start
Makin' me miserable, I feel unlovable
Go ahead and tear us apart
Like you always do
Wish it wasn't true
Mr. Predictable, don't think you're fixable
I knew it right from the start
You'd break my heart
