

Back & Forth

Avery Lynch

Do you think of me anymore when
You're imagining what makes you happiest
Am I part of it?
'Cause I'm not sure I fit
And it sucks, we're comfortable in
This dysfunctional kind-of-love, that we hold onto
But I'm not sure I want to anymore
But I'm not sure I want to anymore

But why did we even try if we knew it was ending
We've been stuck in a love that dies every time we stop caring

We keep going
Back and forth, back and forth
Falling in deep and falling out
We keep going
Back and forth, back and forth
Taking turns being the one to walk out
But I'm done now
(Oh oh oh)
I'm done now
(Oh oh oh)
I'm done now

Do you think of me every time you dance to simple and sweet?
Do you remember?
It played when we first kissed, it's been a while since
And I hate, this was expected
That we'd go our own ways, but it doesn't hurt any less
We're not what makes us happiest anymore
We're not what makes us happiest anymore

But why did we even try if we knew it was ending
We've been stuck in a love that dies every time we stop caring

We keep going
Back and forth, back and forth
Falling in deep and falling out
We keep going
Back and forth, back and forth
Taking turns being the one to walk out
But I'm done now
(Oh oh oh)
I'm done now
(Oh oh oh)
I'm done now

One step forward
Two steps backward
We keep on falling in
I take one step forward
Two steps backwards
When we will call the end

We keep going
Back and forth, back and forth
Falling in deep and falling out

We keep going
Back and forth, back and forth
Taking turns being the one to walk out
But I'm done now
(Oh oh oh)
I'm done now
(Oh oh oh)
I'm done now
