

Obvious

Avery Lynch

You came up in context
Indirectly, never mentioned
Somewhere in a story
Not about you
How'd you do that?
And it's been like 2 years since
I have even thought about it
But memories feel different
When you're in them
I don't get it

So what were we?
Cause everybody says that there was something clearly happening
So why then did it take me this long to believe it

When you were all I'd see
And you'd go blind for me
How'd we miss it, it was so damn
Obvious
Obvious
Obvious
Why then couldn't we admit it

You were just my friend then
And I knew it
Cause we said that
And maybe that's the reason
That we never
Talked about it
All the fear of ruining
What was already a good thing
Cause you were just my friend then
And that's all we
Ever would be

But honestly
Everybody said that there was something clearly happening
So why then did it take me this long to believe it

When you were all I'd see
And you'd go blind for me
How'd we miss it, it was so damn
Obvious
Obvious
Obvious
Why then couldn't we admit it

If baby it was
Obvious
Obvious, no
Obvious
Why then couldn't we admit it

Baby it was
Obvious
Obvious
Obvious

Why then couldn't we admit it
