Over It

Avery Lynch

Think I missed it
When I said that there's something missing
Since we ended, that I've been a mess
But I'm the last one to hear about this
And I know that
You've been telling
All our friends that I'm clearly trying
To pretend that I'm better off when in the end
I think you may not be getting it

'Cause you tell me that you moved on but I don't think you did
'Cause someone who's moved on won't hold on like this
Aren't you tired of
Thinking you're always one step higher

It kinda looks a bit sad from where you're standing
Maybe it would be better if you knew it's
Not like I wanna cry every time I see you
Honestly I don't care really what you're doing
You might need somebody to hold onto
Thinking all of the songs I write are for you
Truth is I don't know how you came up with this
Mmm, but I'm over it

I'll admit it
I know I loved you for a minute
But I think maybe we forget it
Stop convincing yourself it's different
'Cause I meant it

Don't tell me that you moved on 'cause I don't think you did
'Cause someone' who's moved on won't hold on like this
Aren't you tired of
Thinking you're always one step higher

It kinda looks a bit sad from where you're standing
Maybe it would be better if you knew it's
Not like I wanna cry every time I see you
Honestly I don't care really what you're doing
You might need somebody to hold onto
Thinking all of the songs I write are for you
Truth is I don't know how you came up with this
Mmm, but I'm over it

I think you hate it
That I'm not hating life without you
And the things that I do for myself
They were never about you

So don't tell me that you moved on 'cause I don't think you did
'Cause someone' who's moved on won't hold on like this
Aren't you tired of
Thinking you're always one step higher

It kinda looks a bit sad from where you're standing
Maybe it would be better if you knew it's
Not like I wanna cry every time I see you

Honestly I don't care really what you're doing
You might need somebody to hold onto
Thinking all of the songs I write are for you
Truth is I don't know how you came up with this
Mmm, but I'm over it

Honestly I don't care really what you're doing
You might need somebody to hold onto
Thinking all of the songs I write are for you
Truth is I don't know how you came up with this
Mmm, but I'm over it
