

Sleepover

Avery Lynch

How 'bout you meet me where the train stops running
Run through the streets like there are no cars coming
Forgot my sweatshirt and it's getting colder
Did it on purpose cause I like yours better

Our friends are out somewhere at someone's party
We said we'd make it there by 10 but honestly
I think we wouldn't be caught dead there when we'd
Have way more fun picking up snacks at Walgreens

So let's stay up till 2am
Watching old cartoons like kids again
We'll make jokes from things that don't make sense
And we'll waste our time just for the hell of it
Spend our night under the covers
Won't say goodnight cause I'm staying over
Just you and I, nothing is better
Yea let's just have a sleepover

We'll tell each other every thought we think of
Won't watch the movie cause we both won't shut up
Our phones are somewhere but we gotta call all
Our friends and tell 'em we'll catch up tomorrow

So let's stay up till 2am
Watching old cartoons like kids again
We'll make jokes from things that don't make sense
And we'll waste our time just for the hell of it
Spend our night under the covers
Won't say goodnight cause I'm staying over
Just you and I, nothing is better
Yea let's just have a sleepover

(Let's just let's just)
Let's just have a sleepover yea
(Let's just let's just)
Let's just have a sleepover

So let's stay up till 2am
Watching old cartoons like kids again
We'll make jokes from things that don't make sense
And we'll waste our time just for the hell of it
Spend our night under the covers
Won't say goodnight cause I'm staying over
Just you and I, nothing is better
Yea let's just have a sleepover
