Two wrongs don't make a right  
I've been slippin' up, you've been doin' right  
Who are you to judge me, baby?  
Ain't nobody perfect, but maybe  
If you stop holdin' grudges on the low  
Maybe we could be better off  
I just want you to know (You to know)

I promise you that I care too much  
But you be actin' like I don't give a fuck  
Tatted you on my heart and my body too  
I don't understand how you wanna run away, you  
Act like you don't need me, yeah, you don't love me, yeah  
You don't answer the phone and you don't even text me back  
Like you used to  
Guess it's my fault, I'ma have to show you

When they say they love you  
But they always find a way to throw the towel in  
Have you been there?  
If you feel me, say, "Yeah" (Yeah)  
If you've been there, say, "Yeah, yeah, yeah, yeah" (Yeah)  
When you slip up and you get it wrong  
Try to make it right, but they're still holdin' on  
To the past, say, "Yeah" (Yeah)  
If you've been there, say, "Yeah, yeah, yeah, yeah" (Yeah)

Now watch how you talkin'  
'Cause all that shit that you've been bringin' to bartend  
Girl, it manifests and we gon' be off it  
Our love in a coffin, if that's how you want it  
And if you keep actin'  
Like you wanna be free, I'm subtractin'  
Myself from you  
Even though I love you, yeah, yeah

I promise you that I care too much (Yeah, yeah)  
But you be actin' like I don't give a fuck (Yeah, yeah)  
Tatted you on my heart and my body too  
I don't understand how you wanna run away, you (Yeah, yeah)
