

Bittersweet

Avery

See ya gotta know what i wanna do
When i'm with you
Can't u see that i wannabe
Next to u
And i dont get whats so great about
Wasting time just making out
Puttin hands up on my chest
Unnh un i dont like that
Can't u see why u gotta be that way
Sometimes I completely adore
Other days just wish i could ignore u

I wanna chill out
wannabe
laid back
like before
lie down
sit around
laugh out
hear me shout
don't care
whatd u say
don't listen anyway
so tell me
baby
y cant
u see
that what u wanna do what u wanna do
makes u bittersweet
