

Good Time

Avery

I remember all the weekend parties,
sneakin out with the girls getting caught,
We weren't doing nothing wrong (2x).
Gettin Low Low to Flo Rida and T Pain.
Make it rain at the mall on a Sunday.
Don't need no Umbrella (2x).

Livin every day like it's New Years,
Breathin every breath like my last one
Screamin out the top of my lungs

This is for the good times
Gonna let loose, gonna party up, gonna live it up
This is for the good times
Bump the stereo, gonna let go, never let go of the good times
Won't forget you, so let's give it up for the good times

Late night first kiss on the rooftop
He wanted more by I aint no..
Yea those were the times, (oh) those were the times
Spring break pa-party like a rockstar
Summer time got Jay-Z playin
Crank that music up, crank that music up.

Livin every day like my birthday
Takin every step like my last one
screaming out the top of my lungs

This is for the good times
Gonna let loose, gonna party up, gonna live it up
This is for the good times
Bump the stereo, gonna let go, never let go of the good times
Won't forget you, so let's give it up for the good times

This is for the home runs, not for the strikeouts.
This is for the high times, not for the low ones
This is for the make-outs, not for the breakups
This is for the home-team, not for the enemy
If we ever touch down, you know we'll keep our heads up.
If we ever touch down, we'll be singing this song

This is for the good times
Gonna let loose, gonna party up, gonna live it up
This is for the good times
Bump the stereo, gonna let go, never let go of the good times
Won't forget you, so let's give it up for the good times

This is for the good times
Gonna let loose, gonna party up, gonna live it up
This is for the good times
Bump the stereo, gonna let go, never let go of the good times
Won't forget you, so let's give it up for the good times
