Naturally

Avery

How you choose to express yourself
It's all your own and I can tell
It comes naturally, it comes naturally

You follow what you feel inside
It's intuitive, you don't have to try
It comes naturally, mmmm it comes naturally

And it takes my breath away
What you do, so naturally

You are the thunder and I am the lightning
And I love the way you know who you are
And to me it's exciting
When you know its meant to be
Everything comes naturally, it comes naturally
When you're with me, baby

Everything comes naturally, it comes naturally
Bay bay baby

You have a way of moving me
A force of nature, your energy
It comes naturally (You know it does)
It comes naturally
Mmmm yeah

And it takes my breath away (Everytime)
What you do, so naturally

You are the thunder and I am the lightning
And I love the way you know who you are
And to me it's exciting
When you know its meant to be
Everything comes naturally, it comes naturally
When you're with me, baby

Everything comes naturally, it comes naturally
Bay bay baby

When we collide, sparks fly
When you look in my eyes, it takes my breath away

You are the thunder and I am the lightning
And I love the way you know who you are
And to me it's exciting
When you know its meant to be
Everything comes naturally, it comes naturally
When you're with me, baby

Everything comes naturally, it comes naturally
Bay bay baby
