

Never Let You Go

Avery

Oh no
Oh no
Ohh

They say that hate has been sent
So let loose the talk of love
Before that I thought a kiss
Baby give me one last hug

There's a dream that I've been chasing
Want so badly for it to be reality
And when you hold my hand
Then I understand
That it's meant to be
Cuz baby when you're with me

Its like an angel came by, and took me to heaven
(like you took me to heaven)
Cuz when i stare in your eyes
It couldnt be better
(i dont want you to go, no no)
So let the music blast
We gon' do our dance
Praise the doubters on
They dont matter at all
Cuz this lifes too long
And this love's too strong
So baby know for sho'
That ill never let you go

I got my favorite girl
Not feeling no pain, no pain (no pain, no pain)
Oh no
Don't have a care in the world
Why would I when you are here

There's a moment I've been chasing
And I finally caught it out on this floor
Baby there's no hesitation
No reservation
By taking a chance and more
Ohh no, because

Its like an angel came by, and took me to heaven
(like you took me to heaven)
Cuz when i stare in your eyes
It couldnt be better
(i dont want you to go, no no)
So let the music blast
We gon' do our dance
Praise the doubters on
They dont matter at all
Cuz this lifes too long
And this love's too strong
So baby know for sho'
That ill never let you go

Its like an angel came by, and took me to heaven
(like you took me to heaven)
Cuz when i stare in your eyes
It couldnt be better
(i dont want you to go, no, no, so)

Take my hand, lets just dance
Watch my feet, follow me
Dont be scared, girl im here
If you didnt know, this is loooovee

(so let the music it blast)
(we gon' do our dance)
(praise the doubters on)
(they dont matter at all)
(cuz this lifes to long)
(and its much to strong)
(so baby no for sho')
(ill never let you go)

I'll never let you go, gooooo
I'll never let you go,

(oh yeah, oh yeah)

Ohhhh

I'll never let you go,
Ohh no, ohh noo, ohhh

I'll never let you go
