Rain

Avery

This black cloud's always above me
Keeps pourin' down
I I I don't mind
I I I don't mind
I'll find somebody to love me
I'll turn this around
I I I don't mind
I I I don't mind

I won't bitch
I might cry
I'll move on
I'll won't die
If you're going through hell, you just keep on going

And I'm trying to be strong
And I wanna carry on
Just gotta say
It's never rained this hard this long
And the storm will move away
And you know I'll be ok
Just gotta say
It's never rained this hard this long
So just keep rainin' down on me
Til' it's all gone
I I I don't mind
It's never rained this hard this long

The stars look brighter above me
From down here on the ground
I I I don't mind
I I I don't mind
No self help book gonna save me
I scream out loud
I I I don't mind
I I I don't mind

I won't bitch
I might cry
I'll move on
I'll won't die
If you're going through hell, you just keep on going

And I'm trying to be strong
And I wanna carry on
Just gotta say
It's never rained this hard this long
And the storm will move away
And you know I'll be ok
Just gotta say
It's never rained this hard this long
So just keep rainin' down on me
Til' it's all gone
I I I don't mind
It's never rained this hard this long

If you're running through fire

Just keep on running
If you're digging through shit
Just keep on digging
Hold on
Hang tight
Man up
That's right

If you're giving your all, just keep on giving
If you're ready to die, just keep on living
I I I don't mind
I I don't mind

And I'm trying to be strong
And I wanna carry on
Just gotta say
It's never rained this hard this long
And the storm will move away
And you know I'll be ok
Just gotta say
It's never rained this hard this long
So just keep rainin' down on me
Til' it's all gone
I I I don't mind
It's never rained this hard this long
