

# Unwell

Avery

All day staring at the ceiling  
Making friends with shadows on my wall  
All night hearing voices telling me  
That I should get some sleep  
Because tomorrow might be good for something

Hold on  
Feeling like I'm headed for a breakdown  
And I don't know why

But I'm not crazy, I'm just a little unwell  
I know right now you can't tell  
But stay awhile and maybe then you'll see  
A different side of me  
I'm not crazy, I'm just a little impaired  
I know right now you don't care  
But soon enough you're gonna think of me  
And how I used to be me

I'm talking to myself in public  
And dodging glances on the train  
And I know, I know they've all been talking about me  
I can hear them whisper  
And it makes me think there must be something wrong with me  
Out of all the hours thinking  
Somehow I've lost my mind

But I'm not crazy, I'm just a little unwell  
I know right now you can't tell  
But stay awhile and maybe then you'll see  
A different side of me  
I'm not crazy, I'm just a little impaired  
I know right now you don't care  
But soon enough you're gonna think of me  
And how I used to be

I've been talking in my sleep  
Pretty soon they'll come to get me  
Yeah, they're taking me away

I'm not crazy, I'm just a little unwell  
I know right now you can't tell  
But stay awhile and maybe then you'll see  
A different side of me  
I'm not crazy, I'm just a little impaired  
I know right now you don't care  
But soon enough you're gonna think of me  
And how I used to be

I'm just a little unwell  
Yeah, how I used to be  
How I used to be
