

# Wouldnt Change a Thing

Avery

It's like  
He doesn't hear a word i say  
His mind is somewhere far away  
And i don't know how to get there

It's like  
all He wants is to chill out  
(She's way to serious)  
He makes me wanna pull all my hair out  
(She's always in a rush and interrupted)  
Like she/he doesn't even care  
You, me  
Were face to face  
But We don't see eye to eye

Like Fire and Rain  
You can drive me insane  
But i can't stay mad at you for anything  
We're Venus and Mars  
We're like diffrent stars  
But You're the Harmony to every song i sing  
And i wouldn't change a thing

She's always tryin' save the day  
She's wanna let my music play.  
She's all or nothing  
But my feelings never change.  
Why does he try to read my mind?  
(I try to read her mind)  
It's no good to psychonalyze.  
(She tries to pick up a fight to get attention)  
That's what all of my friends say  
You, me  
Were face to face  
But we don't see eye to eye

Like Fire and Rain  
You can drive me insane  
But i can't stay mad at you for anything  
We're Venus and Mars  
We're like diffrent stars  
But You're the harmony to every song i sing  
And I wouldn't change a thing.

When i yes she's no  
But when I hold on He just let's go  
We're perfectly imperfect  
But I wouldn't change a thing...

Like Fire and Rain  
You can drive me insane  
But I can't stay mad at You for anything  
We're Venus and Mars  
We're like Diffrent stars  
But You're the harmony to every song i sing  
And I woulnd't change a thing...  
But i can't stay mad at You for anything  
We're Venus and Mars

We're like diffrent stars  
But You're the harmony to every song I sing  
And I wouldn't change  
Wouldn't change a Thing...
