

In Pieces

Avey Tare

In pieces
We barely find the right time
There's still love out of sight

Thought someday we'd have a riverside
I've seen inside a day I don't have much to come
No stress 'cause I don't have enough
The busy work to tie me like a rope around a hammock
Not a ton

Of pieces, oh oh oh
In pieces, oh oh oh
My pieces, oh oh oh
In pieces, oh oh oh

In pieces
A sweet blackberry pie

Fell off from up high
In pieces
No bridge but it feels right
And I'm climbing

And for a moment let me take your hand
I knew the plan was
Stick together while we can
Koala in a mother's hands is
Gripping eucalyptus branches
While the leaves are floating to the sun

In pieces, oh oh oh
In pieces, oh oh oh
My pieces, oh oh oh
In pieces, oh oh oh
In pieces
