

Fields And Pier

Avi Kaplan

Far, take me far away from here
From here
Start, started walking from the fields
To the pier
I, I will stay upon your mind when I am gone
And fine, fine, I won't be gone
Gone for long

Ooh, ooh
Ooh, ooh
Mmm, mmm

Time, time is headed for the hills
Not to be found
Watch, watch and listen while your heart
Shakes the ground
Fill, fill your cup and do not thirst
For the dream
And please, please learn to feel the sun
Under the trees

Ooh, ooh
Ooh, ooh
