

# Into The Blue

Avi Kaplan

I called out your name  
Yeah but you never came  
Don't know why you had to go  
Don't know why I had to walk this road alone

Hope you've been alright  
Hope you haven't been wasting time  
Seems I'm just the same  
Running circles around my brain, chasing you

I've been missing you by my side  
Oh rainy day with a sunny sky  
Yeah I've finally come to know  
You drifted like smoke  
Into the blue

When you hear my name  
Does it cause you pain  
Does it pull at your heart  
Or push it away  
Does it make you want to say  
I miss you

I've been missing you darling  
I hope you come back soon  
I've been missing you, missing you

I've been missing you darling  
I hope you come back soon  
I've been missing you, missing you  
Missing you, missing you

I've been missing you darling  
I hope you come back soon
