

If You Only Knew

Aviators

A few days gone away
We never thought you'd stay
I thought that you'd come back to us all
Somehow the times we spent together
Never mattered after all

If you only knew
How much I care about you
You'd never run away
It doesn't matter now
That you thought somehow
You had to leave
If you only knew
How much I need you

Applejack, please come back
We'll find a way to fix the roof,
don't you worry about that
Without you I'm not who I'm supposed to be
Won't you please listen to us
Because without you it's killing me

If you only knew
How much I care about you
You'd never run away
It doesn't matter now
That you thought somehow
You had to leave
If you only knew
How much I need you
