

Just Like You

Aviators

Watching you
Flying higher
Gone in a flash
Like a multi-colored fire
I only wish I could fly beside you
Someday
I'll be up there
Just like you
Dashing through the air
I know one day my dreams will come true

Oh how I wish I could be soaring through the sky
If only I could stand upon the clouds up high
If only I could be just like you
Someday I'll be flying above the world
One day I'll be more than just an ordinary girl
'Cuz I can be whatever I choose
And I wanna be just like you

One day
I'll learn all your
Daring tricks and
You'll see what I have in store
Someday I'll fly just as high as you
Until then
I'll be trying
I'll never give up
Until I'm flying
I'll be watching every little thing you do

Oh how I wish I could be soaring through the sky
If only I could stand upon the clouds up high
If only I could be just like you
Someday I'll be flying above the world
One day I'll be more than just an ordinary girl
'Cuz I can be whatever I choose
And I wanna be just like you

Someday I'll be
Just like you
I wanna be
Just like you
Just like you

Oh how I wish I could be soaring through the sky
If only I could stand upon the clouds up high
If only I could be just like you
Someday I'll be flying above the world
One day I'll be more than just an ordinary girl
'Cuz I can be whatever I choose
And I wanna be just like you

Just like you
Just like you
Just like you
