

My Cadence

Aviators

The lights fade out in this crystal hole
I can't see you from down below
I can't do this without you

The green haze hides me from brighter days
All I'm seeing are shades of grey
I can't do this without you

The shield has crumbled, the fight begun
The sky is buzzing, I'll never run

My Cadence, my love song
These stars are shining for you alone
I know I can't win
My Cadence, my love song
Love's in bloom everywhere you go
I know I can't win, without you by my side

Best friends even since we were young
I should have known. Can't believe I was wrong
I need you here by my side

I've loved you since the day we met
I know your heart wouldn't stray from me yet
I need you here by my side

The queen has risen, the throne undone
Shining Armor you must hold on

My Cadence, my love song
These stars are shining for you alone
I know I can't win
My Cadence, my love song
Love's in bloom everywhere you go
I know I can't win, without you by my side

I'll never run and I'll never hide
I won't give up and I will not die
I will stay strong and I will fight
'Till you're here by my side!

My Cadence, my love song
These stars are shining for you alone
I know I can't win
My Cadence, my love song
Love's in bloom everywhere you go
I know I can't win, without you by my side

My Cadence, my love song
These stars are shining for you alone
I know I can't win
My Cadence, my love song
Love's in bloom everywhere you go
I know I can't win, without you by my side
