

# The Villain

Aviators

It's my dark passenger  
And it's riding all the way  
It's not my fault that I can't  
Push the urge away  
I've saved some lives  
Close your eyes  
It's not pretty  
The work that must be done  
In the mist  
Death has kissed  
Those beneath me  
Even if it's all for fun

I'm the balance between the sides  
Bringing bad men to their demise  
Someone's got to do it and I'm willing  
I'm not a hero, but I'm not the villain

I made a choice some time ago  
To use this gift solely for good  
So don't get the wrong idea  
I'm only killing when I should  
But look away  
If you stay  
Here and watch me  
It's not for everyone  
Listen close  
To the code  
Binding what I've  
Planned out and what I've done

I'm the balance between the sides  
Bringing bad men to their demise  
Someone's got to do it and I'm willing  
I'm not a hero, but I'm not the villain

They're the sickness  
I'm the cure  
In my darkness  
I am pure  
They're the killers  
I'm the chair  
While the rest  
Are unaware  
I'm not the villain  
I'm just a natural force  
I'm fixing problems  
Destroy them at the source

I'm the balance between the sides  
Bringing bad men to their demise  
Someone's got to do it and I'm willing  
I'm not a hero, but I'm not the villain

(With purpose)

I'm the balance between the sides  
(They deserve this)

Bringing bad men to their demise  
(It's a small price)  
Someone's got to do it and I'm willing  
(They don't play nice)  
I'm not a hero, but I'm not the villain
