

Undead

Aviators

I'm just a freak
Just a goblin with a story to keep
I'm just a corpse
Hollowed out by my guilt, the darkest force
I'm just a beast
There's a darkness rising from the east
The darkness is me
It's what I've always wanted to be

I'm the desire
To put your hand into the fire
I'm the nightmare
The shadow you see when there's nothing there

I am undead
There's only death within my head
I rot away
But I'm not falling down today

I'm the crime
Every evil thought you have is mine
I'm the cure
To the fairer side's allure

I am undead
There's only death within my head
I rot away
But I'm not falling down today

I am undead
There's only death within my head
I rot away
But I'm not falling down today

I'm just a freak
Just a goblin with a story to keep
I'm just a corpse
Hollowed out by my guilt, the darkest force
I'm just a beast
There's a darkness rising from the east
The darkness is me
Now death is all I see
