

## Fades Away

Avicii

All of the troubled times that we have overcome  
All of the trials to find somewhere that we belong  
All I know is that with you I'm holding on  
'Cause all of the days are  
All of the days are on the run

Don't you love it how it all just fades away?  
When your clothes don't feel the songs of yesterday  
And I can't go back, and I can't go back

Don't you love it how it all  
It all just fades away  
It all just fades away

All of the tracks we traced we raced to reach the sun  
All of the lives to find a place where we belong  
All I know is that with you I'm moving on  
'Cause all of the days are  
All of the days are on the run

And I can't go back, and I can't go back  
Don't you love it how it all  
It all just fades away  
It all just fades away  
It all just fades away  
It all just fades away

And I can't go back, and I can't go back  
Don't you love it how it all  
It all just fades away
