

# Gimme Dat

Avicii

Feeling good, feeling great  
Dark liquor, no champagne  
We go hard, we go stupid  
I'm pretty simple

All I do is get fucked up with all my friends  
Chase fine girls and sip on it  
One red cup, a cutie with style  
You gimme dat and I'll be good for awhile

Gimme dat, gimme dat  
You gimme dat and I'll be good for awhile  
Gimme dat, gimme dat  
You gimme dat and I'll be good for awhile

My friends are fucking crazy  
Energized that's on the daily  
We go hard, we go stupid  
I'm pretty simple

All I do is get fucked up with all my friends  
Chase fine girls and sip on it  
One red cup, a cutie with style  
You gimme dat and I'll be good for awhile

Gimme dat, gimme dat  
You gimme dat and I'll be good for awhile  
Gimme dat, gimme dat  
You gimme dat and I'll be good for awhile

Gimme dat, gimme dat  
You gimme dat and I'll be good for awhile  
Gimme dat, gimme dat  
You gimme dat and I'll be good for awhile

Uh, gimme dat, gimme dat  
Gimme dat, gimme dat  
Gimme dat, gimme dat

Good for awhile  
Gimme dat, gimme dat

Good for awhile
