

Heaven

Avicii

Step out into the dawn
You pray 'til, you pray 'til the lights come on
And don't you feel like you've just been born?

Yeah, you come to raise me up
When I'm beaten and broken up
And I'm back in the arms I love

And I think I just died
I think I just died
Yeah, I think I just died
I think I just died
And went to heaven (ohh)
And went to heaven (ohh)
And went to heaven

It's such a night, such a beautiful night
It's such a beaut', such a beautiful sight
I think I just, oh, I think I just died (ohh)
And went to heaven
And went to heaven (ohh)

We're go be birds, we'll fly
We'll go, set the world alight
We're gunna lose ourselves tonight (ohh)

We're go be birds, we'll fly
We'll go, set the world alight
We're gunna lose ourselves tonight (ohh)
