

# Seek Bromance

Avicii

I've been watching you  
You've been hurting too  
You give all your love  
Nothing left to show  
I have been there too  
Alone in my despair  
Watching life go by  
No one whom to share  
Boy you got it bad  
But I've got something good  
I will treat you good in every way, yeah  
You will never feel alone  
My touch is such a rush  
It overflows..

I will give to you the love you seek and more  
So what are you waiting for?  
I will give to you  
The love you seek and more

I'll get to you  
The love you seek and more  
You're what I'm waiting for  
I will get to you  
The love you seek and more  
(You're all I really need)  
I will get to you  
The love you seek and more  
So what are you waiting for?  
I will get to you  
The love you seek and more

Baby here we are, standing face to face  
Just the two of us locked in your embrace  
Now I got it bad, but you've got something good  
Won't you treat me good in every way? yeah  
Are you ready?  
I can feel your passion and your love  
It oh oh o-overflows..

I will get to you the love you seek and more  
So what are you waiting for?  
I will get to you the love you seek and more

I got love you seek  
I got love you seek  
I got love you seek  
I got lovee

I will get to you  
The love you seek and more  
So what are you waiting for?  
I will get to you  
The love you seek, and more  
The love you seek, baby, is in me  
I will get to you  
The love you seek and more

(The one you really want; really)  
I will get to you  
The love you seek and more
