

Sunset Jesus

Avicii

Try'na set myself up for the win
So people got a dream that so much bigger than the town they're
in
So give me love, give me love, give me peace, give me peace of
mind
I know that there's an ought to a start and I need a little hel
p with mine

California, don't let me down
Seems so golden, but there's struggle all around
Sunset Jesus came to me
He once was a waiter, now he's a savior, making money on the st
reet

My dreams are made of gold
My heart's been broken and I'm down along the road
But I know, my dreams keep fading till I get old
Breathe for a minute, breathe for a minute, I'll be okay

Staring at the billboard from the bus
Looking at the faces, thinking that could be any one of us
So give me hope, give me hope, give me hope on this lonely ride
'Cause I know one day, I will be the one in the sky

California, don't let me down
Seems so golden, but there's struggle all around
Sunset Jesus came to me
He once was a waiter, now he's a savior, making money on the st
reet

My dreams are made of gold
My heart's been broken and I'm down along the road
But I know, my dreams keep fading till I get old
Breathe for a minute, breathe for a minute

Sunset Jesus

My dreams are made of gold
My heart's been broken and I'm down along the road
But I know, my dreams keep fading till I get old
Breathe for a minute, breathe for a minute, I'll be okay

My dreams are made of gold
My heart's been broken and I'm down along the road
But I know, my dreams keep fading till I get old
Breathe for a minute, breathe for a minute, I'll be okay
