

This Loneliness

Avion Roe

Alone
Screaming in front of you
Feeling a love in you now
And you don't know and you don't
Care what I've done to you
Arms open run to me now
We're all alone

Take this loneliness
Hollow, my soul
Make this romance all your own
Heart in your hands I'm alone

Love
Screaming in front of you
Bleeding and haunting you now
You appear
I stare through the windows
We fall where the wind goes to now
We fall alone

Take this loneliness
Hollow, my soul
Make this romance all your own
Heart in your hands I'm alone

Take this loneliness
