

DANGEROUS

AViVA

Sticks and stones
Never broke my bones
Learned from the scars
Nothing smells as sweet as your bitter remorse
Say you reap what you sow
But there's something I know
As you decompose
Nothing smells as sweet as your bitter remorse

Light as a feather, my whispers untether
I can smell fear like leather just to be clear
I'm light as a feather, my whispers untether
I can smell fear like leather just to be clear

I'm feeling kind of dangerous
I'm feeling kind of dangerous
I'm feeling kind of dangerous
And that's okay

You can't run away from me
Might be smiling but you'll see
You can't run away from me
Because I'm kind of dangerous
And that's okay

Nothing I fear
Pave the streets with gold
My victory's sweet
It's enough for me to make your blood run cold
Something to know
If you listen real close
While I'm uncontrolled
It's enough for me to make your blood run cold

Light as a feather, my whispers untether
I can smell fear like leather just to be clear (Just to be clear)
I'm light as a feather, my whispers untether
I can smell fear like leather just to be clear

I'm feeling kind of dangerous
I'm feeling kind of dangerous
I'm feeling kind of dangerous
And that's okay (That's okay, that's okay)

You can't run away from me
Might be smiling but you'll see
You can't run away from me
Because I'm kind of dangerous
And that's okay (That's okay, that's okay)

You can't run away from me
Might be smiling but you'll see
You can't run away from me, away from me (Danger)
You can't run away from me
Might be smiling but you'll see
You can't run away from me (Da-, da-, da-)

I'm feeling kind of dangerous
I'm feeling kind of dangerous
I'm feeling kind of dangerous
And that's okay (That's okay)

You can't run away from me
Might be smiling but you'll see
You can't run away from me
Because I'm kind of dangerous
And that's okay (That's okay)

I'm feeling kind of dangerous
(I'm feeling, I'm feeling)
I'm feeling kind of dangerous
I'm feeling kind of dangerous
And that's okay (That's okay)

You can't run away from me
Might be smiling but you'll see
You can't run away from me
Because I'm kind of dangerous
And that's okay (That's okay)
