AViVA

I'm sorry  
Somebody hurt ya  
When you were younger  
But why'd you take it out on me?  
Now you're over, soon you see?  
I forgive ya  
It's not your fault you're  
So fricking evil  
Spreading lies about you and me  
Tore it down, made it seem easy

What's the way to heaven?  
Now you've found a way to sell it  
You thought I'd lay down and die  
But it's my turn now to start the fires

You're E V I L  
You burn this place to hell  
But it don't matter when you're dead  
Won't save you now cause we're not friends EViL  
They're all under your spell  
But it won't matter when you're dead  
Won't save you now cause we're not friends

But it won't matter when you're dead  
Won't save you now cause we're not friends

Your problems not my problems your forgetting  
Cannot change who you are inside  
You let it out let your dark run wild  
I know it  
Wasn't my fault  
I can't believe though  
That you think you have escaped me  
I'll hunt you down, just you wait and see

What's the way to heaven?  
Now you've found a way to sell it  
You thought I'd lay down and die  
But it's my turn now to start the fires
