

# Petals

AViVA

I'll walk away  
I'll find my place  
Can't even hear you calling anymore

Breath  
I'll take it your breath  
I'll take it your breath  
I'll take it away

I'll walk away  
I'll find my place  
Can't even hear you calling anymore

Lost faces in the crowd  
I hear your name and see your smile  
See you walking to me, staring there, why do you do this, baby?  
I need to get away from  
All these games you play  
You leave me  
Crying here  
You leave me  
On my knees  
You leave me  
So alone, I cannot  
Ever believe that I

I'll walk away  
I'll find my place  
Can't even hear you calling anymore  
I'll walk away  
I'll find my place  
Can't even hear you calling anymore

Deepening journey into the depths, of your head  
Tracing the pattern on your heart, the inside starts to fall  
Forget the fallen  
The petals of your past  
Faces floating  
Laughter seeping  
Seeping, seeping, seeping through the cracks

I'll walk away  
I'll find my place  
Can't even hear you calling anymore  
I'll walk away  
I'll find my place  
Can't even hear you calling anymore
