

Phoenix

AViVA

(I've been reborn)

Born from the ashes, rising up
I live another day, no compromise
(Do what I say, watching through the flame)
(Do what I say, watching through the flame)
Oh, can you feel them? They're catching up
Oh, we have past demons, they'll never stop
([?] my way)
([?] my way)

The choices you made, the games that you played
Now I am reborn, and you are the same
Take my hand, pay with a smile
Dance in my plane, just stay a while
Tonight, you are reborn

I'm a phoenix
Standing strong like your queen, yeah
You will hear me roar
Watch out, demons call
I'm a phoenix
You've all [?]
'Cause they can't make me stop
I'm still untamable

So you want freedom, but there's a cost
So I'll make you worth my while, and I'll let you on
(Into my flames, watch 'em run away)
(Into my flames, watch 'em run away)
Oh, can't you feel it? We'll levitate
Let's burn those demons, burn 'em all away

The choices you made, the games that you played
Now I am reborn, rebo-o-o-o-rn

I'm a phoenix
Standing strong like your queen, yeah
You will hear me roar
Watch out, demons call
I'm a phoenix
You've all [?]
'Cause they can't make me stop
I'm still untamable

Watch me burn, burn, burning bright
Just follow the light
Watch me burn, burn, burning bright
Just follow the light
Take my hand, pay with a smile
Dance in my plane, just stay a while
Tonight, you are reborn

I'm a phoenix
Standing strong like your queen, yeah
You will hear me roar
Watch out, demons call

I'm a phoenix
You've all [?]
'Cause they can't make me stop
I'm still untamable

Watch me burn, burn, burning bright
Just follow the light
Watch me burn, burn, burning bright
Just follow the light
