

THE OUTSiDE

AViVA

Won't you meet me on the outside?
'Cause I'm sick of wearing my fake smile
Won't you meet me on the outside?
Sick of pretending everything is fine
Everything is fine

Get up, stand up against all that we face
Give in to the darkness, there's no escape
Halt this transmission, we're not in your prison
Changing the system, it's time to resist them

I don't know how we're ever gonna fight but
But I know that we'll try

So won't you meet me on the outside?
'Cause I'm sick of wearing my fake smile
Won't you meet me on the outside?
Sick of pretending everything is fine

Everything is fine

All our lives, we drink the lies like Kool-Aid
Now the broken trance is too much to take
Halt this transmission, still stuck in that system
My spite to resist them, break out from the prison

I don't know how we're ever gonna fight but
But I know that we'll try

So won't you meet me on the outside?
'Cause I'm sick of wearing my fake smile
Won't you meet me on the outside?
Sick of pretending everything is fine

Everything is fine

We've got to get out of this place
Together, we will all escape
We've got to get out of this place
Together, we will all escape

So won't you meet me on the outside?
'Cause I'm sick of wearing my fake smile
Won't you meet me on the outside?
Sick of pretending everything is fine
Won't you meet me on the outside?
'Cause I'm sick of wearing my fake smile
Won't you meet me on the outside?
Sick of pretending everything is fine

Everything is fine
Everything is fine
Everything is fine
