

WEIRDO

AViVA

Always changing my mind
Up when it's night time
Cause I am a weirdo like that
I just want to get lost
Hope they can't find us
Cause I am a weirdo like that

Cause I am a weirdo
I am a weirdo
Cause I am a weirdo like that
Cause I am a weirdo
I am a weirdo
Cause I am a weirdo

Running through my mind
Still coming up blank
Always looking for escape
Trying not to hear
What other people say

Forgetting what I need
Just a puppet
I am hanging on your string
Trying not to see
What other people see

Always changing my mind
Up when it's night time
Cause I am a weirdo like that
I just want to get lost
Hope they can't find us
Cause I am a weirdo like that

Cause I am a weirdo
I am a weirdo
Cause I am a weirdo like that
Cause I am a weirdo
I am a weirdo
Cause I am a weirdo like that

Breaking all their moulds
They thought I'd run away
But they'll find I'm here to stay
I no longer hear
What other people say

Forgot what I need
Not a puppet
I wont hang there on your string
I no longer hear
What other people say

Cause I am a weirdo
I am a weirdo
Cause I am a weirdo like that
Cause I am a weirdo
I am a weirdo weirdo, weirdo

Always changing my mind
Up when it's night time
Cause I am a weirdo like that
I just want to get lost
Hope they can't find us
Cause I am a weirdo like that

Cause I am a weirdo
I am a weirdo
Cause I am a weirdo like that
Cause I am a weirdo
I am a weirdo
Cause I am a weirdo like that

(Always changing my mind
Up when it's night time
I just want to get lost
Hope they can't find us)
