

## Finish Line 3: Live On DVD

**Avoid**

You can't tell me anything  
I'm standing right here on my own  
And I'd do anything just to shut you up  
Just can't wait 'til later when I'm screaming  
(Fuck you I got mine)

Anything just to shut you up

Son of a bitch  
I just keep beating this dead horse into the ground  
Nothing will change I just dig further

Am I caught in a haze or am I losing my mind  
It's all the same same same so fuck it all  
Gotta get out gotta get out in time  
But I'm  
Coming out of my cage and I've been doing just fine
