

Gator Fest

Avoid

Burnt out
Bloodshot
Wasted
Drunk on the pen
I'm blurry
Vision
Fading
When will it end
Get me out of this hole I'm in

So monotonous
So fuckin' over it all
Let's go! Let's go!
Am I doing it wrong
This isn't fun anymore and I can't think
Let's go! Let's go!
Nothing comes out right

Give in and let them take control
It doesn't get much better than this
I wanna feel it like you do
Can you just say something
No time think
I know I need the right words (the right words)
But they all come out backwards (backwards)
Get me out of this hole I'm in

Grinding until I feel comatose
Spinning the wheels until I choke
Beating in my head
It's killing me

Give in and let them take control
It doesn't get much better than this
I wanna feel it like you do
Can you just say something
No time think
I know I need the right words (the right words)
But they all come out backwards (backwards)
Get me out of this hole I'm in

What the fuck!
Fuck you you stupid motherfucker

Burn out!
Fight it!
Fuck it all!
