

cyanide

AVRALIZE

I'm a sinner
Feed me cyanide
Dripping down my throat
Let it burn me inside
I'm a sinner
Feed me cyanide
Bring me to life

Don't you know
You keep me from drowning
Don't you know
You keep my heart pounding
Yeah it shows
So lost in my surroundings
Can you find my peace for me

But I will break your heart
Don't you know

I'm a sinner
Feed me cyanide
Dripping down my throat
Let it burn me inside
I'm a sinner
Feed me cyanide
Bring me to life

Don't you know
I'm up to no good
And it shows
Whenever I Would
Hold it back
The fever takes control
Rips the heart out of my soul

Cause I will break your heart
Don't you know?

I'm a sinner
Feed me cyanide
Dripping down my throat
Let it burn my insides
I'm a sinner
Feed me cyanide
Bring me to life

I wear my pitch black stories right on my skin
Why don't you come back deliver me from my sins
Oh I keep losing control
Free my soul tonight
Feed me Cyanide

I'm a sinner
Feed me cyanide
Dripping down my throat
Let it burn my insides
I'm a sinner

Feed me cyanide
Bring me to life

I wear my pitch black stories right on my skin
Why don't you come back deliver me from my sins
Oh I keep losing control
Free my soul tonight
Feed me cyanide
