AVRALIZE

Always on the run
On the hunt for a feeling
So strong feel it pulling

I want something real
Give me something to feel

Can't you see
This pull is haunting me
Cannot find the reason why
I don't know why I even try

Once again
I ask myself when
Time has come to say goodbye
I don't know why I even try

I got this feeling
It is rattling all my bones
Will I get the healing
For the ache I cannot loose

Poisonous it feels
Everytime I'm standing still
On the hunt for something real
Wanderlust

Poisonous it feels
Everytime I'm standing still
Sing it

Screams in the silence
Sing the song of the sirens
Slowly drowning in my fear
Of missing out
Burn my bridges
Piece by piece

I got this feeling
It is rattling all my bones
Will I get the healing
For the ache I cannot loose

Poisonous it feels
Everytime I'm standing still
On the hunt for something real
Wanderlust

Poisonous it feels
Everytime I'm standing still
(Wanderlust)
