

Crush

Avril Lavigne

You make me lose control
Your fingers on my bones
I'm slipping through the floor, so baby, don't crush me

'Cause there's no exit here
No way to disappear
There's not a single tear, so baby, don't crush me

It's just the way you are
The way that you walk
The way that you talk
The way that you read me, baby

And honey don't hide that look in your eyes
Darling it drives me crazy

Don't crush
Don't crush me, no
Say you'll remain

I'll let you take the wheel (ah-ah-ah-ah)
My heart is yours to steal (ah-ah-ah-ah)
Yeah I know this is real, so baby, don't crush me

The petals to the floor (ah-ah-ah-ah)
And now we're heading north (ah-ah-ah-ah)
Been down this road before, so baby, don't crush me

It's just the way you are
The way that you walk
The way that you talk
The way that you, you read me, baby

And honey don't hide that look in your eyes
Darling it, it drives me crazy

Don't crush (Don't crush)
Don't crush me, no (Don't crush me, no)
Say you'll remain, my love

And now that I finally found ya (I just can't live without ya)
You're making me so all about ya (I just can't live without ya)
I don't know what I gotta do if I ain't got you

Because it's just the way you are
The way that you walk
The way that you talk
The way that you read me, baby

Honey don't hide that look in your eyes
Darling it drives me crazy
Say you'll remain, my love
Don't let my heart break and crush

Don't crush (the way that you walk)
Don't crush me, no (the way that you talk)
(The way that you, you read me, baby)

'Cause I've crushed, I've crushed, oh
(And honey don't hide that look in your eyes)
(Darling it, it drives me crazy)
Don't crush, 'cause I've crushed, ooh-ooh-ah
