

Half Full

Avril Lavigne

Well, I tried to look on the brighter side (I do, I do, I do)
But I've got these feeling that eat me alive (It's true, it's true, it's true)
So I'm following strangers, chase this pain with a chaser
'Cause I hadn't felt hot enough inside (Since you, since you, since you)

I'm not gonna stay here tonight, 'cause I've been dyin'
I'm not gonna sleep here alone, but I've been tryin', yeah
Yeah, I'm holdin' on for dear life, outside I'm smilin'
But I'm so damn empty

At least my glass is half
Full, full, full, full
Yeah, at least my glass is half
Full, full, full, full
I still bring the whiskey over here
And make me feel like that 'cause I'm half
Full, full, full, full
Yeah, at least my glass is half

I like to walk on the wilder side (I do, I do, I do)
I would still be here if you hadn't lied (It's true, it's true, it's true)
Yeah, I'm addicted to danger, 'cause I love and I hate ya
But I took a chance on one hell of a ride (For you, for you, for you)

I'm not gonna stay here tonight, 'cause I've been dyin'
I'm not gonna sleep here alone, but I've been tryin', yeah
Yeah, I'm holdin' on for dear life, outside I'm smilin'
But I'm so damn empty

At least my glass is half
Full, full, full, full
Yeah, at least my glass is half
Full, full, full, full
I still bring the whiskey over here
And make me feel like, yes, I'm half
Full, full, full, full
Yeah, at least my glass is half full

It seems like another life, another life, another time, another time
Now is then and this is now, but I'm not cryin' another tear for ya
Another round, another round, pour it down, pour it down
Fill me up, fill me up, 'cause I'm so damn empty

At least my glass is half
Full, full, full, full
Yeah, at least my glass is half
Full, full, full, full
I still bring the whiskey over here
And make me feel like, yes, I'm half
Full, full, full, full
Yeah, at least my glass is half
Full, full, full, full
Yeah, at least my glass is half
Full, full, full, full
Yeah, at least my glass is half full
