And I'd give up forever to touch you

Cause I know that you feel me somehow

You're the closest to heaven that I'll ever be

And I don't want to go home right now

And all I can taste is this moment And all I can breathe is your life Cause sooner or later it's over I just don't want to miss you tonight

And I don't want the world to see me Cause I don't think that they'd understand When everything's made to be broken I just want you to know who I am

And you can't fight the tears that ain't coming Or the moment of truth in your lies When everything seems like the movies Yeah you bleed just to know your alive

And I don't want the world to see me Cause I don't think that they'd understand When everything's made to be broken I just want you to know who I am

I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

I just want you to know who I am I just want you to know who I am I just want you to know who I am I just want you to know who I am
