

# Mobile

Avril Lavigne

Went back home again  
This sucks, gotta pack up and leave again  
Say goodbye to all my friends  
Can't say when I'll be there again  
It's time now to turn around  
Turn my back on everything  
(Turn my back on)  
Everything

Everything's changin' when I turn around  
All out of my control  
I'm a mobile  
Everything's changin' when I turn around  
All out of my control  
I'm a mobile  
Ooo yea

Start back at this life  
Stretch myself back into the vibe  
I'm wakin' up to say I've tried  
Instead of wakin' up to another TV guide  
It's time now to turn around  
Turn and walk on this crazy ground

Everything's changin' when I turn around  
All out of my control  
I'm a mobile  
Everything's changin' out of what I know  
Everywhere I go  
I'm a mobile  
I'm a mobile

Hangin' from the ceilin'  
Life's a mobile  
Spinnin' 'round with mixed feelings  
Crazy and wild  
Sometimes, I wanna scream out loud

Everything's changin' everywhere I go  
All out of my control  
Everything's changin' everywhere I go  
Out of what I know  
Yea yee yea

La la la la la la la la la  
La la la la la la la la la  
La la la la la la la la la  
(La)  
La la la la la la

Everything's changin' when I turn around  
All out of my control  
I'm a mobile  
Everything's changin' out of what I know  
Everywhere I go  
I'm a mobile  
Everywhere I go

I'm a mobile
