Inner Self

Avulsed

Walking these dirty streets
With hate in my mind
Feeling the scorn of the world
I won't follow your rules

Blame and lies, contradictions arise Blame and lies, contradictions arise

Nonconformity in my inner self Only I guide my inner self

I won't change my way
It has to be this way
I live my life for myself
Forget your filthy ways

Blame and lies, contradictions arise Blame and lies, contradictions arise

Nobody will change my way Life betrays, but I keep on going There's no light, but there's hope Crushing oppression, I win

Betraying and playing dirty, you think you'll win But someday you'll fall, and I'll be waiting Laughs of an insane man, you'll hear Personality is my weapon against your envy Walking these dirty streets

With hate in my mind Feeling the scorn of the world I won't follow your rules

Nonconformity in my inner self Only I guide my inner self
