

# 24/7

AWA

Yeah, we put the sex in the middle of the day  
And all through the night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time  
So, here we go, here we go, go again  
Gon' spend another sleepless night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time, ayy

We been naked for days  
Oh-na-na-na  
Keeping up with the pace  
Oh-na-na-na  
Nothing else on my brain  
Oh-na-na-na  
But the way that you taste, oh

And, oh my, my, what have we done?  
Been two weeks, haven't seen the sun  
And all our friends gon' call the cops  
'Cause we're missing and the noise won't stop

Yeah, we put the sex in the middle of the day  
And all through the night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time  
So, here we go, here we go, go again  
Gon' spend another sleepless night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time

Skinny-dip in the sheets  
Oh-na-na-na  
Turning red in the heat  
Oh-na-na-na  
Like a hundred degrees (Oh)  
Oh-na-na-na  
What you doing to me?  
Ayy, ayy, ayy

And, oh my, my, say, we can't stop  
Spending our days on the pillow top  
And all our friends gon' call the cops  
'Cause we're missing and the noise won't stop

Yeah, we put the sex in the middle of the day  
And all through the night (And all through the night)  
It's a 24/7 kinda Heaven  
And we're praying for a little more time  
So, here we go, here we go, go again (We go)  
Gon' spend another sleepless night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time

I got you strung, I got you hooked on up on my line  
I'd think you never been with, never had enough  
I'm waiting for the stars above

And I can feel your touch  
I'm praying for a sleepless night, oh, yeah

Yeah, we put the sex in the middle of the day  
And all through the night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time  
So, here we go, here we go, go again  
Gon' spend another sleepless night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time

Yeah, we put the sex in the middle of the day (Ooh)  
And all through the night  
It's a 24/7 kinda Heaven  
And we're praying for a little more time  
So, here we go, here we go, go again (Here we go)  
Gon' spend another sleepless night (Here we go)  
It's a 24/7 kinda Heaven  
And we're praying for a little more time, ayy
