

## Comfortable

AWA

So how's it gon' be, babe?  
When I want something, I want it  
How's it gon' be, babe?  
Can't get you off my mind, yeah, for weeks  
Nah, nah  
Tell me how's it gon' be?  
Don't waste time  
Ain't got no time for foolin'  
Boy, come over, spend the night  
Ain't tryna fall in love, drinkin' til we're sober  
So won't you, come get comfortable?

Come get comfortable, blow my mind  
Touch my body, come get comfortable  
Come get comfortable, come get comfortable  
Spend the night (Where's love?)  
Come get comfortable, come get comfortable  
Blow my mind, touch my body, come get comfortable  
Come get comfortable, come get comfortable  
Come get comfortable, spend the night (Where's love?)

The city's on fire, babe  
Don't wait too long with it  
You know you got it bad  
It's the fifth time I caught you coming back  
Come and get it on with me  
Really turn me on babe  
Ain't no playing with my heart  
Say no more, ain't no 'got about it  
Can't go on, can't go on without it, I crave it  
It's way too good, you've been tryin' to waste my time  
Said it's way too good, you've been tryin' to waste my time

Come get comfortable, come get comfortable  
Blow my mind touch my body, come get comfortable  
Come get comfortable, come get comfortable  
Spend the night (Where's love?)  
Come get comfortable, come get comfortable  
Blow my mind, touch my body, come get comfortable  
Come get comfortable, come get comfortable  
Come get comfortable, spend the night (Where's love?)
