

Let's go back  
All the way back  
Please never come back  
I thought you should know  
I was so young  
Falling for the wrong one  
I'm sure you had your fun  
But I thought you should know

"Apparently I forgot the weed! Oh no!"  
"Sorry, sorry."  
"No it's okay."

I'm gonna be twenty one  
I don't know how to feel  
I'm still trying to pretend  
That it isn't real  
And I hope for the first time  
I can forget my first time  
I wanna start my new life  
I know in time I will heal

Innocent eyes  
Nothing but blue skies  
Interested in guys  
I thought I'd want to know  
I met you in town  
Got in your car  
And you took me around  
Went to a bar  
Then you held me down  
"I want to go home"

[\*wheeze\*] "Wait!"

"Wait!... I have something to s... [\*wheeze\*]  
"That was my throat."

"That was your throat?!"

"I think... [?]"

"I've been laughing this whole time!"

I'm gonna be twenty one  
I don't know how to feel  
I'm still trying to pretend  
That it isn't real  
And I hope for the first time  
I can forget my first time  
I wanna start my new life  
I know in time I will heal
