

Hello? I am here  
Are you there?  
When are you coming home?  
I'm scared  
Hello? I'll wait here  
Do you care?

I hate being alone  
Are you there?

Are you there?  
I've been  
Are you alone?  
I've been  
Are you alone?  
Are you? (I'll wait here)  
Do you care?

Ease my mind  
I can't be here without you  
I've been  
Searching for you  
Will you fuel my mind?  
Take me with you  
Do you care?

I hate being alone  
Are you there?

Are you there?  
I've been  
Are you alone?  
I've been  
Are you alone?  
Are you? (I'll wait here)

Do you care?  
Ease my mind  
Ease my mind (I'll wait here)  
Ease my mind  
Ease my mind  
Ease my mind (I'll wait here)  
Ease my mind  
(Are you?)

Ease my mind  
Ease my mind  
I hate being alone  
I've been  
Are you alone?
