Self love

I love myself, no one's love could ever compete
I hold myself down, I don't need your cheap treat
Yeah, I can't fit in pretty skirts
But I'm so pretty that it hurts
And when I start to flirt I'll have these boys on their knees
I don't need nobody
I'm worth more than just my body and that's the tea

I gotta say bye
I love you 'cause I know you don't love me
These art form is not up to you
I am a masterpiece
It doesn't matter if I'm fat
Or if I'm stick-thin skinny
I gotta say bye
I love you 'cause I know that you can't handle me
Yeah, I know that you can't handle me

Ooh, ooh (Woo!)
Ooh, ooh (Woo!)
Ooh, ooh (Woo!)
Ooh, ooh (Woo!)

I get what I want when I want it
I don't ever have to tease
I'll buy a drink for myself if I want it
I don't ever say please
And even with a moustache on my face
I turn heads in this whole place
'Cause my beauty kills like it's a fucking deadly disease
I feel real cute today
I wanna see you try to take that away from me (Ooh)

I gotta say bye
I love you 'cause I know you don't love me
These art form is not up to you
I am a masterpiece
It doesn't matter if I'm fat
Or if I'm stick-thin skinny
I gotta say bye
I love you 'cause I know that you can't handle me
Yeah, I know that you can't handle me
