

# Everyday

awfultune

I don't really know what I'm gonna do today  
Get fucked up, smoke a cigarette  
And waste my life away  
My friends, they don't wanna see me  
They're "too busy" is what they say  
But I'm probably gonna do the same thing  
I do everyday, I do it everyday

I never went to prom cause I didn't care  
I never felt good in the clothes I wear  
Yeah, I wasn't stable enough to let in love  
I had feelings I didn't share  
I always fucked up everyday at school  
I never fit in cause I wasn't cool  
Yeah, I didn't look the part and so I fell apart  
And started breaking all the rules  
I didn't reach out cause no one was there  
I didn't drop out cause I was unaware  
School doesn't do anything  
It don't mean anything  
No one even knew I was there  
And graduation wasn't fun  
Just a slap in the face for what I've become  
They say "You're gonna miss those days"  
But I don't miss those days  
Who even said that anyway?

I don't really know what I'm gonna do today  
Get fucked up, smoke a cigarette  
And waste my life away  
My friends, they don't wanna see me  
They're "too busy" is what they say  
But I'm probably gonna do the same thing  
I do everyday, cause I do it everyday

It's a vicious cycle I can't crack  
I get kicked down, then I'm on my back  
I know I wanna get back up  
I wanna suck it up, I want my life to be on track  
I suffered for a really long time  
Thought my whole life belonged online  
And I was never feeling great  
And so I'd medicate  
And then pretend that I was fine  
But I'm really tired, yeah  
Yeah, I'm really tired now  
I don't know why, no  
I don't know why I'm feeling down  
I'm really trying, yeah  
I'm, I'm really trying now  
I've walked through fires, yeah  
I'm trying to find my higher ground

And I don't know what I'll do today  
Maybe I'll get fucked up, smoke a cigarette  
And waste my life away  
And I guess my friends don't wanna see me

They're "so busy" that's what they say  
But I'm probably gonna do the same thing  
I do everyday, cause I do it everyday  
Yeah, I'm probably gonna do the same thing  
I do everyday, cause I do it everyday
